

The Calvary Call Committee is excited to announce that they and the church council have unanimously voted to recommend The Rev. Jennifer Sung to be our next settled pastor. She responded that she is overjoyed and deeply honored to be recommended for call to Calvary.

The congregational vote will be Sunday, June 23<sup>rd</sup> after worship. Here is a little information about her:

As an ordained pastor and mission developer with the Evangelical Lutheran Church in America, Rev. Sung has spent the last three years writing, speaking, and preaching for national and international audiences both in person and online. After graduating from Luther Seminary, she served at St. Andrew's Lutheran Church in Mahtomedi, Minn. as pastor of outreach and mission, and as the mission developer Pastor of The Depot Church.

What excites her about Calvary Lutheran's small and mighty Church is how faithful and free range they are! Listening to God's call they sold their building to a developer who turned it into an affordable housing complex. They have an amazing food distribution ministry that serves their community and beyond. They are a Church committed to be faithful neighbors to their community and are passionate about social justice. Reverend Sung looks forward to joining the Calvary community and doing great ministry together on earth as it is in heaven.
